DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The timely submission under 37 C.F.R. 1.111(c), filed on 5/3/2010, is not fully responsive to the prior office action, because it does not address the 112 2nd paragraph rejection set forth in paragraph 4 of office action mailed 2/1/2010. Given that there are multiple issues on several claims, applicant's response is required to advance prosecution.

Since the submission appears to be a bona fide attempt to provide a complete reply to the prior office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
